EDUCATION

- PhD** – Physics, December 2010, Washington State University
- Grad. Cert. in Opto-Electronics** - December 2010, Washington State University
- BS** – Physics, May 2004, University of Idaho

EXPERIENCE

1. **Assistant Professor of Physics (Engineering 2nd affil.)**, Hawaii Pacific University, August 2017 – *Present*
2. **Adjunct Assistant Professor of Physics**, Washington State University, February 2016 – *Present*
3. **Assistant Professor of Physics**, University of The Bahamas, August 2015 – July 2017
4. **Post-doc**, Case Western Reserve University, June 2013 – May 2015
5. **Post-doc**, Youngstown State University, June 2011 – May 2013
6. **Teaching/Research Assistant**, Washington State University, August 2004 – May 2011
7. **Substitute Teacher** (math/science 7th -12th grade) May-June '05 & May-June '08, Kellogg, ID

COURSES TAUGHT

1. Phys 2050 (Calc-based introductory physics I), Hawaii Pacific University
2. Phys 2051 (Calc-based introductory physics lab I), Hawaii Pacific University
3. Phys 2052 (Calc-based introductory physics II), Hawaii Pacific University
4. Phys 2053 (Calc-based introductory physics lab II), Hawaii Pacific University
5. Phys 2054 (Modern physics), Hawaii Pacific University
6. Phys 2055 (Modern physics lab), Hawaii Pacific University
7. Phys 2031 (Algebra-based introductory lab I), Hawaii Pacific University
8. Phys 164 (Algebra-based introductory physics I, includes lab), University of The Bahamas
9. Phys 176 (Calc-based introductory physics I), University of The Bahamas
10. Phys 176 (Calc-based introductory lab I), University of The Bahamas
11. Phys 2610 (Calc-based introductory physics I), Youngstown State University
12. Phys 2611 (Calc-based introductory physics II), Youngstown State University
13. Phys 2611L (Calc-based introductory lab II), Youngstown State University
14. Phys 410 *laboratory portion only* (Electronics lab for physicists), Washington State University
15. Phys 201L (Calc-based introductory lab I), Washington State University
16. Phys 202L (Calc-based introductory lab II), Washington State University
17. Astr 150L (Introductory astronomy lab), Washington State University
18. Astr 390 (Lab only astronomy course), Washington State University
